Thrive

St. James South Business Community
Relationship Building

*Beloved, I pray that you may prosper in all things and be
in health, just as your soul prospers.*

3 John 2:2 NKJV

Thorpes Main Road

Whether you grow plants, make or manufacture crafts, breads or other goods, sell or retail items or perform a service, our Holders Hill Thrive community can help connect you to potential buyers, customers, collaborators and suppliers so we can all thrive together.

“Whatever your hand finds to do, do it with all your might...”

Ecclesiastes 9:10 NIV

What is Thrive?

A part of our identity as a church is our strong partnership with our communities. As we seek to deepen our collaboration, we recognize that there is significant opportunity for us to get to know the goods and services provided in our community and to seek God's guidance and protection over our businesspersons. It is our pleasure to create this space for interaction and dialogue as we seek to encourage and support one another during these difficult times.

Why Thrive?

We want to –

- Provide a space for business persons in the St. James South area to get to know each other and for our church to get to know the businesses in the community
- Create a database of businesses in the community that will be hosted on the church's website and distributed to all attendees.
- Introduce new entrepreneurs

from the Haynesville Youth Group Entrepreneurship programme

- Create a mechanism for continued communication between our church and the St. James South business community

How to Thrive

- Confirm attendance!
- Complete business information form
- Participate in our Thrive event on Thorpes Main Road on **Sat. July 31, 2021.**
- Stay in contact

Who are Seventh-day Adventists?

Seventh-day Adventists are a global family of Christians who hold the Bible as the ultimate authority. We are a worldwide, mission-minded family of believers who collectively strive to meet the needs of many around the world while sharing the truth and hope of the Gospel, and of Jesus Christ's soon return.

Within the church pews, Seventh-day Adventists remain a dynamic body of believers, consistently meeting together on Saturday mornings, in much the same manner other Christian churches do on Sunday, as we uphold the importance of the 4th commandment, the seventh-day sabbath, even today. This Church is more than just churches. Because the Seventh-day Adventists' active faith permeates every aspect of life, we want to take worship and mission work beyond the pews and out into the world.

Who is the Holders Hill Seventh-day Adventist Church?

The Holders Hill Seventh-day Adventist Church is a part of the St. James District family of the East Caribbean Conference of Seventh-day Adventist Churches. Our church building is located in Durant's Village, St. James. Our church emerged out of outreach activities in the area of Thorpes, St. James in 1979. From then until now, we have continued to spread the gospel in our district which is comprised of communities such as Durant's Village, Holders Hill, Haynesville, Hoytes Village and Thorpes.

With a membership of over 250 persons, we continue to be a key actor in the community, providing spiritual guidance, practical assistance, friendly advice and lots of prayer. All are welcome to worship with us as we glorify God in song, testimony and the study and sharing of His Word.
